## TR-QG03 Microcomputer Pipe Cutting Machine - Product Datasheet

Positioning: Best for precise microcomputer-controlled cutting of pipes and tubes.

|                                   |                                                                                |
|-----------------------------------|--------------------------------------------------------------------------------|
| Specifications                    | Microcomputer Pipe Cutting Machine                                             |
| Process                           |                                                                                |
| Control                           | PLC / touch-screen control                                                     |
| Terminal / material compatibility | Microcomputer Pipe Cutting Machine (see quotation for your wire/terminal spec) |
| Price                             | FOB - final price confirmed at quotation                                       |
| Lead time                         | 7-20 days standard, confirmed at quotation                                     |
| Commercial & Delivery             | CE-certified machinery, ISO9001 factory                                        |
| Certification                     |                                                                                |
| Quality                           | 100% run-in tested before shipment; test video on request                      |
| Warranty                          | 12 months standard; spare parts support                                        |
| MOQ                               | 1 unit                                                                         |
| Payment                           | T/T 30% deposit, 70% before shipment                                           |
| Packing                           | Export-grade wooden case / carton, QC photos before packing                    |
| Shipping                          | Sea, air or express - tracking provided                                        |
